### The \$100 Installment Savings Plan Has Been Started

THE Officers and Directors of the Passumpsic Savings Bank have always believed in the proposition of Thrift and Economy that exists in the minds of the people of our town. No greater evidence however, of the existence of these cardinal principles so necessary to success, has ever been demonstrated than was shown by the manner in which large numbers of our people on the first morning took out \$100.00 Installment books. Every hour or so another man, another woman or probably a boy or girl makes application at our Bank for one of these \$100.00 Installment books. Our supply of the books is limited but we will secure more.

We believe that the people of St. Johnsbury have waited for this opportunity for a long time. We have known of the struggles toward systematic savings which some people have made for years. It is difficult to explain how much pleasure it gives us to be able to lend to them at this time the assistance that comes through the use of this \$100.00 Installment book.

There is still room for you if you do not happen to have a book. There will be no closing time for the \$100.00 Installment account book distribution but there is a time when you should start this plan. That time is right now. A \$1.00 deposit will get you the \$100.00 book. Shall we see you today?

I have five different Mutual Fire Insurance Companies, average age of over 75 years each. One of these Companies is almost 116 years old, said to be the oldest Company in New England, has returned in Dividends to policy holders in my own agency in the past eight years, \$895.42. Sixty-eight of these policies have paid back a 50% dividend and a large number were written at the exact stock rates, none cost over 10% extra at the beginning. Possibly you received a portion of this sum, if not, don't you want to do so later on your own policy?

### 2500 DEER SHOT

Slaughter Largely In Excess Of Last Year—Hunters Careless In Reporting to Officers

Up to yesterday, nine days after the opening of the season, there had been 2500 deer reported shot to Fish and Game Commissioner J. W. Titcomb. Last year only 2,000 were shot in the whole season. There are indications that hunters are very careless in reporting to the proper officers and they are laying themselves liable to prosecution thereby. The law is specific on this matter and will be enforced. More does than bucks have been killed and more fatalities among hunters than in recent years, if not in the whole open deer season.

The following figures by counties was the summary for Tuesday morning. They show a total of 2016 but enough more were reported yesterday to bring the whole total up to 2500. The reports for Caledonia county last night showed 51 bucks and 44 does killed. The summary by Counties:—

County	Bucks	Does
Addison	73	57
Bennington	38	46
Caledonia	47	38
Chittenden	31	33
Essex	45	25
Franklin	22	34
Grand Isle	1	0
Lamoille	77	105
Orange	47	48
Orleans	44	33
Rutland	80	112
Washington	172	232
Windham	185	156
Windsor	219	115
Total	981	1035

### MANY ST. JOHNSBURY HUNTERS

Lots of Deer Reported But Evidently More Have Been Killed.

Town Clerk C. G. Braley up to yesterday forenoon had issued 753 hunters' licenses and the indications are that a large proportion of these men have been in the woods. We are unable to learn all who have killed a deer but a large number were successful. For instance one party of five went to Victory and each got a deer. They had to get other members into camp to kill all the deer they saw. Another party of 12 went into the woods in Victory, and nine of them have shot deer but not all of them have reported. One party coming out of Victory one day this week with a deer in their automobile passed ten teams, each having a deer in the wagon.

Here are some of the local hunters who have been successful:—P. C. Peterson got a deer in Walden last week Tuesday. C. V. Soule shot a 140 pound buck in Victory last Friday. B. E. Dean got a 110 pound buck there Monday. Fred M. Simonds shot a 200 pound buck with eight points in Victory Friday. E. F. Cole got a 140 pound buck with eight points in North Concord. H. M. Kelley got a 158 pound buck at Damon's Crossing in Victory. A. C. Sanborn got a 116 pound doe in Peacham. F. W. Kelley got a 200 pound buck in Victory. F. W. Harris shot a 120 pound doe. A. W. Dean shot a 150 pound doe in Stannard. Philip Fletcher and Ira Preston shot a deer in Averill. Willis S. Pierce got a buck in Granby. Leonard Simpson got a doe in Maidstone. Charles H. West got a deer in Victory. W. H. McFarlin shot one in North Denville. H. A. Wilcox, Don Staples, Horace Goss, Will Goss, W. J. Perry, Frank Goss and George Moulton each got one in Victory. Ralph Whitcomb shot a 250 pound buck with nine points in Brownington.

The 25 cent piece was made famous by the American Liver Tablets, the perfect laxative.
